3.3 Proof of completion of an AD test under a USA recognized Judge.

3.4 An "a" stamp must be in the pedigree or an OFA passing certification must have been submitted.

5. REGISTERING FOR THE SURVEY

The number of dogs for each survey day is limited to 50. If more than 50 dogs are entered, an additional half day must be added on the same weekend.

Please refer to the USA Rule Book for complete information on Conformation Shows and Trials. Below are some of the regulations:

II. ORGANIZATION of BREED SHOWS

1. For breed shows described under I. 1, a printed catalogue must be issued.

1.1 The catalogue must indicate name, registration number, date of birth, name of sire and dam, name and address of the breeder, and name and address of the owner for each dog entered.

1.2 Only dogs fulfilling conditions below may be entered and listed in the catalogue:

1.2.1 Must be registered with a WUSV Registry.

1.2.2 Must be registered with USA when owned by a resident of the United States of America.

1.2.3 Are over 12 months old.

1.2.4 Are free of all signs of illness.

1.2.5 Are not barred from progeny registration.

1.2.6 The owner must be a USA member when they are a resident of the United States of America.

1.2.7 May not be owned by persons barred from exhibiting dogs.

2. Show Classes.

Dogs exhibited at breed shows are subdivided into classes. The key date for shows of more than one day is the first show day.

2.1 Youth Class applies to dogs older than 12 months, but under 18 months.

2.2 Young Dog Class applies to dogs older than 18 months, but under 24 months.

2.3 Adult Dog Class applies to dogs more than 2 years old.

2.4 Working Dog Class applies to dogs over 2 years old and they must have at least at SchH 1 or HGH title.

2.7 To promote breeding activities, a puppy show where no ratings are awarded may be held. Dogs between 4 and 6 months old, 6 and 9 months old, and 9 and 12 months old can be entered in this show. Puppy Classes are only possible in conjunction with a regular breed show. The Puppy Class must precede the breed show and take place on the same day. Assessment of the dogs must be made by SV, USA, or USA approved judges.

2.8 Dogs older than six years may be shown in a separate class, the Veterans Class. No ratings are awarded, but the animals are ranked and placed according to quality.

III. OTHER REGULATIONS

1. Show entry fees must be paid for a dog entered but not shown.

2. Dogs who are present for examination (standing) and are then removed from competition without permission from the officiating judge, must receive an "Insufficient" rating. An "Insufficient" rating mandates that this dog's progeny be barred from registration. This ban takes effect at the same time this rating is issued and is reported to headquarters by the judge.

3. Ratings awarded by a judge during a breed show are final. Protests are not permitted.

4. The exhibitor must give truthful information about his dog. Attempts to mislead result in USA penalty proceedings.

5. The exhibitor must display good sportsmanship when showing their dog. Offenses may entail disqualification of the dog, removal from the show grounds, and/or initiation of penalty proceedings. Anyone who purposely refuses to answer inquiries or makes false statements and anyone who changes the dog's appearance, (including surgical interventions), in order to mislead the judge or permits others to do so, loses any awards already earned at this show and may, depending on the severity of the case, be excluded from further shows or may be fined by USA.

7. It is not permitted to use acoustic enhancers (powered by electricity, gas, compressed air) when calling to the dog. It is also prohibited to use pistols, whips, or protection sleeves for double handling. Transgressions may lead to disqualification of the dog, removal from show grounds of the double handler, and the initiation of internal proceedings against the dog's owner and double handler.
